

HOLIDAY UNIT PROGRAM INFORMATION

1. An application must be supplied by a referring agency.
2. The units are self-contained and fully furnished. Unit 9 (Kangaroo) has four beds (two bedrooms with two single beds in each) plus a sofa bed and also a cot in the main bedroom. Unit 10 (Koala) has four beds (two bedrooms one with a double bed and one with two single beds).
3. The units are modest and clean with basic amenities. Renters need to take their own linen (sheets, pillowcases, towels, tea towels etc) and other household requirements such as washing detergent and toilet paper. Bedspreads, blankets and pillows are provided.
4. There is ducted reverse cycle air conditioning in each unit.
5. There is no internet or telephone provided.
6. Both units are accessible for people in wheelchairs, including access to bathrooms (open shower with shower curtain).
7. An undercover carparking space is provided.
8. The units are located close to the centre of Victor Harbor opposite a large shopping centre, which has a number of shops and facilities.
9. A washing machine, iron and ironing board, and a shower chair are provided. A digital flat screen television (wall mounted) and DVD player are provided in each unit.
10. The complex is patrolled by a security service at night.
11. **Pets are not allowed**, except for registered Guide Dogs.
12. Referrers, not individuals, should contact the Adelaide Benevolent Society.
13. Bookings can be made with the holiday rental management company once written confirmation that an Application has been accepted is received.
14. Keys for the units are obtained from the holiday rental management company.
